

LEADERSHIP STATEMENT

CONNECTION

WE BELIEVE IN A COMMUNITY THAT IS BUILT ON CONNECTION.

We act in a manner that supports the philosophy and values upon which Delta Coves Maintenance Corporation was formed. We serve as a role model in the community – encouraging others to reach out to their neighbors and build connection within the community.

RESPECTFULLY ENGAGING WITH NEIGHBORS AND COMMUNITY STAKEHOLDERS.

We speak with kindness and authenticity. We listen to and are receptive to the perspectives and ideas of others. We are mindful that Delta Coves is comprised of neighbors from diverse backgrounds and life experiences. We ensure all voices in our community are heard.

RESPECT

SERVICE

BEING OF SERVICE TO OUR COMMUNITY.

We actively lead and support initiatives, events, and activities. We endeavor to make an impact – not just within Delta Coves – but also in the greater region in which we live.

HONORING OUR COMMITMENT TO DELTA COVES LEADERSHIP.

We consistently participate in and organize leadership activities. We embrace our journey as leaders and recognize we always have more to learn. We stay connected to our fellow leadership members and encourage new neighbors to be part of the Delta Coves leadership experience.

COMMITMENT

INFLUENCE

BEING A POSITIVE INFLUENCE IN THE COMMUNITY.

We offer solutions to challenges and share accurate information with others. We recognize that our words and actions are a reflection of the community. We warmly welcome new residents and advocate for and celebrate our neighbors. We assume positive intent in others.
